

# CONTENTS

---

## THORACIC AORTA CHALLENGES

- 1 The hospital epidemic of thoracic aortic aneurysms ..... 2  
R. S. VON ALLMEN, J.T. POWELL

## ASCENDING AORTA

- 2 Direct open repair is the gold standard..... 8  
C. DZSINICH, M. DZSINICH
- 3 Why and how stent graft will replace surgery ..... 12  
M. THOMPSON

## TRANSVERSE ARCH ANEURYSMS: CONTROVERSY: DEBRANCHING THE ARCH

- 4 Debranching provides excellent results..... 16  
R. CHIESA, G. MELISSANO, E. M. MARONE, L. BERTOGLIO, E. M. RINALDI, E. CIVILINI, Y. TSHOMBA, D. LOGALDO
- 5 Debranching provides poor results..... 22  
D. KOTELIS, D. BÖCKLER
- 6 How to make chimneys work in the arch? ..... 29  
T. LARZON
- 7 Endovascular repair of the aortic arch..... 33  
T. RESCH, B. SONESSON
- 8 The challenge of the proximal neck: how to secure seal and fixation ..... 39  
T. KÖLBEL, E. S. DEBUS

## THE SPECTRUM OF MEDULLAR ISCHEMIA AFTER TEVAR

- 9 Perfusion branches: the ultimate tool to prevent paraplegia ..... 46  
J. CONSTANTINO, J. PARVEEN, K. IVANCEV

## DISSECTION

- 10 Which uncomplicated type b dissection should not be left? ..... 50  
R. GIBBS
- 11 Are stent-grafts for acute type b dissection durable?..... 54  
J. STEUER, A. WANHAINEN, M. BJORCK
- 12 Tips and tricks for open surgery after failed tevar ..... 61  
L. CANAUD

## NEWS OF IMAGING DEVELOPMENTS

- 13 **3D: the future of 3d ultrasound imaging : why is it necessary ?** ..... 70  
A. LONG, L. ROUET, A. COLLET-BILLON, J-P BECQUEMIN, E. ALLAIRE
- 14 **4D mri useful tool or new gadget?** ..... 76  
A. NOORANI, C. A. FIGUEROA, P. TAYLOR, R. CLOUGH

## CONTROVERSY: WHERE IS THE BEST PLACE FOR ENDOVASCULAR SURGERY

- 15 **Simulation rehearsal before endovascular interventions: why it improves our practice.** ..... 82  
L. DESENDER, L. CHAYKOVSKA, F. VERMASSEN, I. VAN HERZEELE

## NEWEST TECHNOLOGY FOR EVAR: DEVICES PRESENTATIONS AND RESULTS

- 16 **The new C3 gore excluder stent-graft: nuremberg experience.** ..... 88  
A. KATSARGYRIS, E. L.G. VERHOEVEN
- 17 **The nellix endovascular aneurysm sealing system.** ..... 93  
E. DUCASSE, X. BÉRARD, G. SASSOUST, D. MIDY
- 18 **The importance of anatomical fixation in evar** ..... 106  
J-P. DE VRIES

## ABDOMINAL ANEURYSMS: DEBATE: AAA DUPLEX MEASUREMENT INTERNAL OR EXTERNAL DIAMETER

- 19 **Internal diameter must be the new rule.** ..... 112  
T. HARTSHORNE
- 20 **Evar in out clinic patients: is it feasible and safe?** ..... 117  
R. RODRIGUEZ CARVAJAL , Z. RANCIC , G. PUIPPE , M. GLENCK , C. GUILLET , C. SCHMIDT , D. MAYER , TH. PFAMMATTER , F. PECORARO , F.J. VEITH , D. BETTEX , M. LACHAT , J. BLEYN
- 21 **How to keep a small aneurysm small** ..... 122  
E. ALLAIRE , J. DAI , M. TAUREL , H. KOBEITER , R. DE BLIC , F. COCHENNEC , E. VION , J. MARZELLE , P. DESGRANGES , J-P BECQUEMIN

## DEALING WITH EVAR PROBLEMS TYPE II ENDOLEAKS

- 22 **Type II endoleaks: what are the best means to detect them?** ..... 128  
H. ZANDVOORT, J. VAN HERWAARDEN, J. HABETS, T. LEINER, F. MOLL

## CONTROVERSY: PRE-EMPTIVE TREATMENT OF TYPE II ENDOLEAK

- 23 **Preventive intraoperative treatment of Type II endoleak by autologous thrombin injection** ..... 136  
A. KALADJI , A. CARDON , B. LAVIOLE
- 24 **Type ii endoleak transvena cava approach.** ..... 140  
P. BERGERON , T. ABDULAMIT , J-C. TRASTOUR

## EVAR FOLLOW UP: ANSWERS TO UNCERTAINTIES

- 25 Does reintervention influence the late results of evar? ..... 144  
F. VERZINI , G. ISERNIA , G. SIMONTE , A. MARUCCHINI , G. PARLANI , E. CIERI , P. CAO
- 26 Inflammatory response after evar:causes and clinical implication ..... 154  
C. LIAPIS, K. MOULAKAKIS

## EVAR FOLLOW UP: ANSWERS TO UNCERTAINTIES

- 27 Endovascular repair of totally occluded infrarenal aorta and iliac arteries..... 160  
N. MANGIALARDI, E. SERRAO, S. RONCHEY, H. KASEMI, A. ESPOSITO, S. FAZZINI , V. ALBERTI
- 28 Cyclists with iliac endofibrosis: how to help them to win the Tour de France? ..... 168  
P. FEUGIER, O. ROUVIERE, X. ESCRIVA

## DO THE NEWEST GRAFTS ACHIEVE COMPARABLE RESULTS TO SAPHENOUS VEIN BYPASS?

- 29 Do the newest grafts achieve comparable results to saphenous vein bypass? The heparin-bonded eptfe grafts..... 178  
C. PRATESI, R. PULLI, W. DORIGO,

## CONTROVERSY: BARE STENTS OR COVERED STENTS IN THE SFA?

- 30 Covered stents provide better results..... 186  
M. BOSIERS

## NEWEST TECHNOLOGY IN THE SFA: THE FUTURE IS NOW

- 31 Newest technologies in the sfa : the latest results with drug eluting stents ..... 188  
J. TESSAREK
- 32 Drug coated balloons ..... 193  
J-P. DE VRIES

## CONTROVERSY: TIBIAL ARTERIES REPAIR

- 33 Durability of tibial artery endovascular repair ..... 198  
R.A. CHAER, M. S. MAKAROUN
- 34 Endovascular treatment of the tibial arteries: those who know how to do it have no doubts, ..... 202  
P. A. SCHNEIDER

## MISCELLANEOUS

- 35 Should We Stop Clopidogrel Before Open Vascular Surgery? ..... 208  
C. SAADEH , J. SFEIR
- 36 Myocardial infarction after vascular surgery: why we should take it seriously. .... 213  
P.A. SCHNEIDER

## CAROTID

- 37 Which asymptomatic stenoses are at risk of stroke? ..... 218  
S. K. KAKKOS , A.N. NICOLAIDES ,, I.A. TSOLAKIS

## CONTROVERSY: CEA AND CAS

- 38 Cea is not superior to cas: we simply do not have the answer yet ..... 224  
A. HALLIDAY

## CAS: WHAT FACTORS SHOULD BE TAKEN INTO ACCOUNT?

- 39 High volume versus low volume centers ..... 226  
P. CAO, A. LORIDO, C. FERRER
- 40 Cas: early treatment after onset of symptoms ..... 229  
B. RANTNER , G. GOEBEL , L. BONATI , G. FRAEDRICH

## MORE ON SHORT OR NO NECK ANEURYSM: CONTROVERSY: OPEN REPAIR OR ENDO REPAIR

- 41 Short or no-neck aneurysms: fevar is the current gold standard ..... 232  
M. THOMPSON, I. LOFTUS

## NEW TECHNOLOGY FOR SHORT AND NO NECK ANEURYSM

- 42 The fenestrated anaconda graft ..... 238  
P. BUNGAY

## FENESTRATED AND BRANCHED GRAFT AROUND THE GLOBE: WHAT ARE THE PIECES OF EVIDENCE

- 43 France: Fenestrated or branched endografts versus open repair for complex aortic  
aneurysms. The Windows 1, 2 & 3 studies ..... 244  
J-P BECQUEMIN, ON BEHALF OF THE WINDOWS INVESTIGATORS

## AAA RUPTURE THE OLD ENEMY IS STILL THERE IS ENDO- THE WRONG CHOICE

- 44 Results worse than expected: what is the problem? ..... 250  
D. MAYER, T. LARZON, Z. RANCIC, T. PFAMMATTER, F.J. VEITH, S. AESCHBACHER, L. NORGREN, A. MAGNUSON, T. HORER,  
P. SKOOG, M. LACHAT

## CONTROVERSY: RUPTURED AAA TREATMENT

- 45 Ruptured abdominal aortic aneurysm: Fix it rapidly by open repair: it is the safest  
way ..... 258  
R.S VON ALLMEN, F. DICK, J. SCHMIDL
- 46 Evar is better than open repair for AAAS: do not believe the figures from  
randomized trials ..... 264  
F.J. VEITH, B.W. STARNES, C.J. KWOLAK, J.C. PARODI

## ROUND TABLE: FIGHT AGAINST HYPERPLASIA

- 47 **The hero vascular access graft** ..... 272  
S. GAGE, J. LAWSON
- 48 **Vascular access in the elderly** ..... 279  
M. MORSY, T. GHATWARY
- 49 **Paclitaxel-coated balloons in fistula:  
a prospective randomized controlled trial** ..... 283  
D. KARNABATIDIS

## LECTURE

- 50 **Non-contrast enhanced mra screening prior to vascular access creation** ..... 286  
J. TORDOIR

## ROUND TABLE: WHAT VASCULAR ACCESS FOR WHICH PATIENTS?

- 51 **Vascular access in children: the importance of microsurgery for creation of autologous arteriovenous fistulas** ..... 290  
P. BOURQUELOT

## CONTROVERSY: ULTRASOUND GUIDED ANGIOPLASTY

- 52 **Ultrasound guided angioplasty: pros** ..... 298  
O. PICHOT , C. SESSA

## SESSION I: POST THROMBOTIC SYNDROME AND ATYPICAL VARICOSE VEIN ATYPICAL VARICOSE

- 53 **Ivus: should it be used more extensively in deep venous reconstructive surgery?** ..... 306  
P. NEGLÉN.
- 54 **Evolution of neovalve technique and for which patients?** ..... 310  
O. MALETI, M. LUGLI, M. PERRIN
- 55 **Sclerosant agents in venous malformations/ atypical veins** ..... 315  
A. BISDORFF-BRESSON, M. GREINER, J.L. GÉRARD, C. LAURIAN, A. AYMARD, E. HOUDART
- 56 **Endovascular treatment of atypical varicose veins originating from the inferior gluteal vein** ..... 319  
M. GREINER

## SESSION II: TREATMENT OF THE SMALL SAPHENOUS VEIN. DEBATE: THE SAFEST OR THE MOST EFFICIENT?

- 57 **Is it safe and efficient to treat the small saphenous vein by radiofrequency ablation** 322  
G. GALEMA, C.J. VAN VLIJMEN-VAN KEULEN, S.A. GAUW, J.A. LAWSON
- 58 **How I treat the small saphenous vein by endovenous laser ablation** ..... 331  
J-L. GERARD

## SESSION III: COMPETENCE OR INCOMPETENCE OF THE TERMINAL AND PRE-TERMINAL VALVE: DOES IT CHANGE YOUR MODE OF TREATMENT?

- 59 Hemodynamics of the saphenous-femoral junction: patterns of reflux and related clinical implications ..... 338  
M. CAPPELLI, R. MOLINO LOVA
- 60 Celon RFITT® radiofrequency: results and evolution of the procedure from the beginning ..... 341  
C. HAMEL-DESNOS, P. DESNOS

## SESSION IV: MISCELLANEOUS

- 61 Qol evaluation and chronic venous disease: how to do this in our daily practice? ... 346  
A. MANSILHA, D. BRANDÃO
- 62 Impact of the environment on the well being of our patients and their satisfaction rate after (vein) surgery. .... 349  
I. VANHANDENHOVE
- 63 Randomized controlled trials in varices endovenous treatment. A review ..... 354  
M. PERRIN, B. EKLOF
- 64 If the terminal and/or preterminal valve is competent or incompetent does it change the mode of treatment by surgery? ..... 366  
P. PITTALUGA

## SESSION V: THERMAL TECHNIQUES

- 65 Indications for preferring endovenous laser treatment to traditional surgery: ten years experience of a single center ..... 370  
M. LEOPARDI, P. SCARPELLI, A. MAGGIPINTO, C. SPATERA, M. VENTURA
- 66 Optimising outcomes after endovenous interventions: is technique and strategy more important than choice of catheter? ..... 374  
M. GOHEL
- 67 Venous laser update: new wavelength or new fiber ..... 378  
L. KABNICK  
NEW YORK UNIVERSITY LANGONE MEDICAL CENTER, NEW YORK, UNITED STATES
- 68 Now that we have 5-year data on closure fast and closure: is there a difference? ..... 386  
T. PROEBSTLE
- 69 Cyanoacrylate adhesive for great saphenous vein ablation ..... 388  
T. M. PROEBSTLE
- 70 Radial endovenous laser (Radial EVLA) vs Radiofrequency ablation (RFA): advantages disadvantages ..... 391  
M. WHITELEY
- 71 Treatment of the great saphenous vein gsv and their tributaries by steam ..... 397  
Y. ALIMI
