The VEIN GLOSSARY

Finally, 911 terms have been selected

We already got the endorsement of the EFV, AVF, IUP, ANZ College of Phlebology, Latin American Venous forum and Indian Association of Phlebology

Robert Kistner (Hawaii, USA) the father of deep venous reconstructive surgery has written the foreword for the glossary

The VEIN GLOSSARY

SERVIER has supported the entire project without intervening in the definitions provided by the teams of specialists

The book will be distributed free of charge by the publisher in June 2018. An electronic version will also be made available later, and the glossary will be updated regularly

The VEIN GLOSSARY

I sincerely believe that the glossary will be very useful for all scientists involved in phlebology

It has been a tremendous adventure, and I would like to thank all the participants for their support and help
